“ My uncle was one of a kind 😊 you had to know him to understand his love for you... He was the kinda guy that will curse you out and in the same sentence say I love lol... And if he didn't like or care for you, he had no problem telling you that either...

No matter what he had going on in life, he always made room for those who meant the most to him... Helping in anyway possible that he could. My uncle was not only my uncle but a father figure, best friend/ homie... As a little girl growing up couldn't nobody wash my hair without me thinking they was trying to drown me but my uncle Alvin lol.

I have many memories with my uncle and lord knows Ima miss him dearly. Ima miss his unique laugh, I've lived and met many ppl over the world and never met anyone who laughed like him lol.

Fast talking, sh** talking and guffy Unc Ima miss you!!! You may have been took from this world, but you can't be took from my heart. There you shall forever live on as long as I live
