“ I am honored to have had known Bruce. He was so much more than a friend, a neighbor, my chriopractor. We met Bruce 10 years or so ago. Bruce is the most loving, caring, supportive man I have ever met. Bruce has prayed for our family so many times, bladed our drive and street, and helped me mow the lawn when our mower broke down. Bruce knew the Bible, the entire Bible!! He would quote me scripture every time I seen him. I'm going to miss his contiguous laugh, hearing him quote the Bible and seeing his smile. Bruce you are going to have a massive mansion in Heaven!! Love you and see you soon my dear friend!!

“ I considered Bruce a great friend. God used Bruce to help me overcome some struggles regarding sin that I was dealing with in my life. And maybe even more importantly, he was inspirational for me and a catalyst for me to memorize the Word of God. I'll forever remember him for that. Terry Godwin
