*To know Carnelius was to love him. He would literally light up the atmosphere with his bright smile and personality. He was a person of integrity, kind hearted and a faithful friend. Barry taught Carnelius the scripture Mark 12:30 at the age of 14 when we first meet Carnelius. Even until recently everytime Barry saw Carnelius Barry would say, "ok son, quote your scripture to me" and Carnelius would say the scripture. Carnelius will be sadly missed, but fondly remembered.*
