“ *My Aunt Carrie Lee the woman who helped raise me , the woman who sacrificed so much for her family ,the women who always treated me as her own and would curse me out and set my spoil behind straight when needed. It still seem so unreal to be writing this knowing your no longer with us. You was my momma too, I'm so blessed and thankful to have had you in my life for a number of reasons too many to list. Aunt Carrie Lee get your rest now suffer no more,worry no longer until we meet again I will always love you and miss you dearly.Lord give our family especially her children and grand-children the strength needed to carry on. My Aunt was such a beautiful soul !*
