“ *Missing you nephew. The holidays won't be the same without you eating and falling asleep under the table and making us laugh. Your memory lives on in everyone you touched. Your wit, enthusiasm, and curiosity to always learn more and strive to accomplish so many things will always be remembered. We love and miss you dearly. Rest in heaven our dear nephew. Love auntie Nickki, uncle Rudy, and cousins Jeremy, Nick, JSean and Asia.*

“ *This still doesn't feel real. I keep hoping that I will wake up with a call or text from you. Momma loves you with all my heart. Even though you are gone you will never be forgotten. ☐ you always knew how to make me smile, even when I was mad. I will always cherish those memories.*
