“ *I have many memories of Darden, being his Sunday School teacher for the past 10 years. But the memory I will always remember is his testimony of what the lord has changed his life since his incarceration. Once he committed his life, to the lord, everything changed. He was willing to give his testimony anytime anywhere. I must have heard it 10 or 20 times and it brought tears to my eyes everytime. What a powerful God we serve. A Good and faithful servant you are. It was an honor to call you "My Friend " God Bless and enjoy that new Body you have. Love you, my friend. BOBBY*

“ *To the family; Earth has no sorrow that Heaven can't heal; may the memories of your loved one, remain in your heart and the principles learned from him, apply to your lives daily and allow him to live on in your keeping of his teachings. GOD BLESS*
