“ To the family, I pray that god will grant you the strength to endure the pain of missing your loved one from being down here with you. I have known Eldred all of his life and I love him and his family as if they were my very own. God is Good and He is a strong hold in the day of trouble and sorrow, so hold on to this promise so that you will be able to accept what He has allowed. Love in Christ, Margaret B. East
