Omg where do I start about my cousin who was more like an aunt to me from growing up as a little girl in New Orleans and of course being overly protected since I was the baby of the bunch you steeped up when my mom was not around and I want to thank you for your protection, being the life at events, and my trick or treat partner. I think this is why I am so spoiled now I never heard the word no and my last time seeing you there were still laughter through the pain rest well my love kiss everyone up there for me. 🌸🌸🌸🌸🌸🌸
