“ I am one of the senior residents where L.D. worked. He was always a ray of sunshine . There was always a smile on his face no matter what. It is still hard to believe that he is gone. God only put angels in our lives to serve his purpose and L.D. fulfilled his purpose for God. Believe me you will truly be missed..God has granted you your wings so fly my friend and look down on us once in awhile.

“ I'm not sure what to say. This has been a hard pill to swallow. I work with LD over the past 6 weeks and got to know a great person we would laugh and eat all day. LD was so helpful to all my senior residents just like we were all family... I was there the day he took his last breath and it's something I will never forget. Glad to have had a change to meet a great Angel.. To the family my prayers will forever be with you.. LD RIP my dear friend ❤️

“ To the dear family of LaDarren.
You have our deepest and sincerest condolences as our family mourns with you from Ohio.
LaDarren spent many years and made many memories—years ago in Ohio with us as he was the father of my youngest son and he treated my two older children the same as he treated our son. He was always friendly to everyone he met...He never met a stranger! He loved to cook, he had a good heart and he always had something cleverly-funny to say.
May God rest his soul and May God give his Children (LaDarren II and Lexi) and his family the strength and peace that they need to carry on and to heal from his passing.

Sincerely,

Pam, BG, Shalita and his son LaDarren O Robinson II

My deepest condolences to the family & those closest to him. Although I only known him a short time his life's stories or just his being made me feel like I've known him a lifetime.

He was a sweet spirit with a kind heart. The one thing I will miss most about him is great stories he told about his life his unconditional love for all his children & family The fact that he couldn't wait to hold & smell the new grand daughter.

I am grateful to GOD for those who special persons that helped mold this person to become the person he was. I am also grateful to GOD for the time he was given you to us all.

LD you will be deeply missed but you will live on in the hearts of those that you knew and those that knew you
