“ *I'm so sorry, she still had so much life to live I absolutely am speechless since I've found out. Me and pj used to go tanning together all the time in saraland. I also remember going to get a fish that she wanted to bring to school because we was having some costume day at Saraland high school she had me cracking up that day and that's all I can think about is how awesome, sweet, and beautiful inside and out she was 🙏*
