“ I worked with Quincy at Ranger. When my caregiver told me her cousin was killed Christmas Eve, I was sad for my caregiver. When I found out that it was Quincy, I was sad for myself and for the world. Quincy smiled all of the time. He always told me how nice I was dressed. He was always the perfect employee, willing to help everyone and he was so positive. I enjoyed seeing him every morning because even at 6am, he was smiling. We have lost a great person. RIP my friend.
