“ I have so many memories of us growing up from kids to adults. Roderick and Reginald let me and my sister do a perm in there heads before the first day of middle school 😭. I don't remember who bought the perm but I was only like 12 yr. His his hair came out sooo straight and rough, we tried everything to not make it look dry. We use greese and that only made it straight and stiffer 😭😭🙄👤
♀ My grandma made them wear that first day and after school they had to get a hair cut. Which made them bald 😭😭omg. I remember when I was in high school (Williamson) Roderick use to meet me almost every day on the track or halfway home along with other friends. But he wanted to make sure nobody gone mess with me walking home. Remember him telling ppl I'm his lil cousin like boy first all we tha same age and I'm 6 months older than u likeeee what 😭. Listening to your worries and you happiness. Telling you stop slobbering every time u talk 😭 I miss the luv you cuz every time we talked. I know Bj held u tight when u got to that gate. You we're his right hand man.. ❤️❤️❤️❤️❤️
